

Basic Skills Update for First Aiders + AED (Annual)

The HSE "Strongly recommends" that it is good practice for First Aiders to complete an annual refresher course. Retention of knowledge and skills deteriorate over the three-year certificate life therefore this course provides valuable refresher and update training. Run yearly, in conjunction with Refresher courses every three years, this produces a very efficient and cost effective training programme. Â Â

Cost: Â£395 for up to 12 students on your site

Course length: 3 hours

This course is for: smaller workplaces where a First Aider is not required. If your risk assessment has shown that First Aiders are not necessary, then this course will provide the skills and knowledge required for Appointed persons to render necessary Basic First Aid in an emergency situation with an AED. The course is also suitable for those who wish to gain knowledge of emergency procedures & a qualification in First Aid.

Certificate: A certificate of attendance is issued valid for 1 year
